

**Is your child between
5-18 years of age, has
peeing problems, and
has *never* filled out a
bladder or food diary?**

If yes, enroll in our research study and receive support
from our text-message based healthcare assistant!

What to Expect:

2 weeks: Fill a bladder and food diary for 2 days

2 weeks: Text4US program - receive personalized SMS healthcare assistance

Compensation:

Receive a \$40 Amazon Gift Card
