

Hi RSS participants:

Beginning at our **November 12, 2019** session, we will rollout attendance by texting where you will text in a code to receive CME credit for your attendance at RSS.

- There will no longer be paper sign-in sheets at each session.
- Your attendance at each session will be recorded immediately once you text in and you may access your CME transcripts from the CME system.
- The code will be provided by the presenter at the beginning and at the end of their actual presentation.
- Credit can only be recorded via text 30 minutes before, during, and up to 24 hours after the session.
- If you prefer not to text in attendance, you may claim credit via our online CME portal (please see attached instructions).

****Please save the number 844-560-1904 in your contact list as you will use it each time you attend the session.****

UROLOGY GRAND ROUNDS

Introducing Text Attendance

Text 34428 to 844-560-1904

Credit can only be recorded via text in the 30 minutes before, during, and up to 24 hours after the session.
Receive reply text: **"Thank you [Your Name] we have recorded your attendance for [Today's Activity]"**.

NOTE: If you do not receive a reply text, your CME transcript will not document today's meeting participation.

If you do not wish to claim credit by text
you may claim credits online at <https://stanford.cloud-cme.com>
